RENEWED PETITION UNDER 37 C.F.R. §1.181

Sir:

This Renewed Petition under 37 C.F.R. §1.181 is in response to the Office of Petitions communication dated October 10, 2008 in connection with the above-identified patent application. The Office of Petitions communication of October 10, 2008 indicated that the applicants' petition under 37 C.F.R. §1.181 filed on September 30, 2008 was dismissed for failure to include a master docket record showing all replies dockets for a date three months from the mail date of the nonreceived Office Action.

The undersigned, David C. Kellogg, thanks the Petitions Attorney, Cliff Congo, for the telephone call of October 20, 2008. As discussed in the telephone call, the applicants' petition of September 30, 2008 included a statement that no masker docket exists and provided additional evidence in accordance with MPEP 711.03(c). Accordingly, the applicants' petition of September 30, 2008 should be granted. Reconsideration of applicants' petition under 37 C.F.R. § 1.181 in view of these remarks is respectfully requested.

The Commissioner is hereby authorized to charge any fee deficiencies or to credit any overpayments in connection with this submission to Deposit Account No. 502942.

Respectfully Submitted,

Date: *October 21, 2008*
